

Dr. Beate Kummer, Chemist and Toxicologist
Consultant
Kummer : Umweltkommunikation GmbH

Dr. Beate Kummer, consultant and since 2005 managing director of her own consultancy Kummer:Umweltkommunikation GmbH, has now around 14 years experience in the waste management sector and environmental aspects. Her background includes experiences in science, consulting, lobbying, education, communication and political affairs.

When she finished her studies in Freiburg and Los Angeles 1994 with degrees in chemistry and toxicology, she joined bvse – Bundesverband Sekundärrohstoffe und Entsorgung e.V. in Bonn, first as consultant, later she became managing director. As managing director and head of the office of the environmental consultancy Haase & Naundorf Umweltconsulting GmbH in Bad Honnef between 2002 and 2005 she was responsible for key account clients.

In addition she also works as a lecturer at the university of Leipzig since 1999, since 2009 also at the university of Heilbronn and Jena, and she is author of different books on sustainable politics, waste treatment and recycling. She is married with two children.
