30th Anniversary

PLASTICS RECYCLERS ANNUAL MEETING

Conference Programme

Unlocking Circularity by Safeguarding Europe's Plastic Recycling Industry

25 & 26 November 2026 – Valencia, Spain

25 NOVEMBER

09.30-11.00h Welcome coffee & Registration

11.00-12.30h Unlocking Circularity by Safeguarding Europe's Plastic Recycling Industry

12.30-14.00h Lunch

14.00-15.30h Plastic Waste Streams Workshops

- PET
- PO Films
- PS

These breakout workshops will focus on the particular challenges and opportunities of the dedicated waste streams – covering legislative updates, market data, and practical implementation via recyclability assessments and recycled content verification.

15.30-16.30h Coffee Break

16:30-18:00h Made in Europe: Your Voice, Your Vision for Plastic Recycling Policies

This plenary session will be organised in form of an interactive panel discussion, where both the invited panellists and the audience will have a chance to share their view on the road ahead for strengthening Europe's plastic recycling ecosystem.

20.00h Dinner & Networking Drinks

Made in Europe: Your Voice, Your Vision for Plastic Recycling Policies

This plenary session will be organised in form of an interactive panel discussion, where both the invited panellists and the audience will have a chance to share their view on the road ahead for strengthening Europe's plastic recycling ecosystem.

We will be joined by key experts in the plastics recycling value chain:

- Adam Gono, Deputy Secretary General, **Natural Mineral Waters Europe**
- Delia Harabula, Director Government Relations Europe, **AMCOR**
- Eric Dehouck, Senior Executive, **Eastman**
- Karl Johan Ingvaldsen, CEO, **Plastretur AS**
- Paolo Glerean, Head of Sales and Marketing, **Aliplast**
- Rémy Belval, President, **SRP**
- Sven Saura, Vice-President for Recycling, **Veolia**

26 NOVEMBER

09.00-09.30h Welcome Coffee & Registration

09.30-11.00h Plastic Waste Streams Workshops

- PVC
- PO Rigids
- ELV&WEEE

These breakout workshops will focus on the particular challenges and opportunities of the dedicated waste streams – covering legislative updates, market data, and practical implementation via recyclability assessments and recycled content verification.

11.00-12.00h Coffee break

12.00-13.30h Reforming EPR Systems: An Interactive Stakeholder Dialogue

Join this interactive discussion on the evolving role of EPR in creating a circular plastics value chain. Through audience participation and stakeholder exchange, the session will explore what is working today, where gaps remain, and how EPR systems can be strengthened to accelerate circularity.

13.30-14.30h Networking Lunch

Disclaimer: *The organisers reserve the right to change the programme, speakers or venue should circumstances require.*
